Donations form for 2014

As Hall Printing grows and is recognized in the community, so does the list of organizations interested in acquiring donations. In the past year, we have donated \$27,000 in products, services and sponsorships. The available dollars have outstripped the requests. So we need to make a change to ensure all deserving groups can receive a donation.

Starting in 2014, stub tickets for raffles will have a minimum fee of \$50 per set for quantities up to 2500. The remainder of the cost will be donated. For quantities over 2500, the charity would pay for the quantity over 2500 and the \$50.

The raffle enables the charity to raise more funds than we could donate on a cash basis. Please remember to attach lottery license with application if you are requesting stub tickets. We estimate the 60,000 tickets we donated last year to have netted the local charities \$120,000!

We have developed a donation form so we can keep track of what the monies are raised for and ensure we support the activities of groups applying. Feel free to get help or clarification from any Hall Printing Customer Service staff.

Priority will be given to Youth/Children groups, community events and healthcare initiatives. Through our donations, Hall Printing and staff look forward to making our community a special place to live, play and work.
